KEY FACTS, AT A GLANCE

RATING

Moderate. The principal constraints are four venue windows (Saturday evening at the United Center and Huntington Bank Pavilion, Sunday afternoon at Soldier Field, Monday evening at the United Center, and Tuesday evening at the United Center and Soldier Field together), a Saturday suspension of Green Line and Orange Line service between the Loop and the South Side with substitute shuttle buses, and 91 special-event full-closure permits spanning Saturday.^{1, 2, 3, 4, 5, 6} Each constraint has a stated start. Each has a stated end, except the games and concerts, whose end times are not stated. None removes an expressway, DuSable Lake Shore Drive or a rail branch without a printed substitute.

WORST WINDOW

Tuesday 6, from 19:00 CDT, United Center and Soldier Field. The Blackhawks home opener against St. Louis starts at 19:00 CDT at the United Center and Chicago Fire FC against Vancouver kicks off at 19:30 CDT at Soldier Field.^{3, 7, 4} Combined venue maximum 83,217: Soldier Field 63,500 and the United Center 19,717 for hockey (SECONDARY).^{8, 9} The venues are 3.23 mi apart. End times not stated. West Madison Street is fully closed from Wood to Damen on Tuesday for the home-opener red-carpet event, beside the United Center; the permit states no hours.¹⁰ Soldier Field parking lots open about four hours before Fire games, from 15:30 CDT.¹¹

ROUTE REMOVED

None this window. No expressway, DuSable Lake Shore Drive segment or rail branch is closed without a substitute. CTA suspends Green Line service between the Loop and 35th-Bronzeville-IIT and Orange Line service between the Loop and Halsted from 04:00 Saturday to 02:00 Sunday as printed, with shuttle buses from Harold Washington Library and the Red Line as the printed alternatives.⁵ The Torrence Avenue bridge, 12200 to 12600 South, closes to all traffic on Sunday from 06:00 to 14:00 on the permit's own text, with printed detours.⁶

AIR TRAVEL

No ground stop, ground delay program, delay or closure at O'Hare or Midway. Neither airport appears in the FAA airport-status file at its 01:58 CDT update on Saturday 3; the file lists only

general-aviation closures at Los Angeles and San Diego and a large-aircraft closure at Philadelphia.¹² No Illinois-specific flight restriction is listed, VIP or otherwise.¹³

WEATHER

Dry and seasonable. Highs near 65 Saturday, 71 Sunday, 61 Monday and 65 Tuesday; probability of precipitation is 0 percent by day except 7 percent on Sunday.¹⁴ Sunday carries west wind with gusts as high as 20 mph.¹⁴ No NWS watch, warning or advisory is in effect at the Loop forecast point at the 03:39 CDT reading on Saturday 3.¹⁵ Friday 2 recorded 67/52 at O'Hare and 65/55 at Midway, with 0.00 in and 0.01 in of precipitation.¹⁶

CPD ALERTS

24 pattern alerts counted in 30 days, published 3 September to 2 October, across 15 districts. 6 robbery-classified. 4 naming more than one district. Following this brief's standing practice, sexual-offense alerts are listed in section 05 but not counted; six fall in this period. Nine alert items are new since the last edition.¹⁷

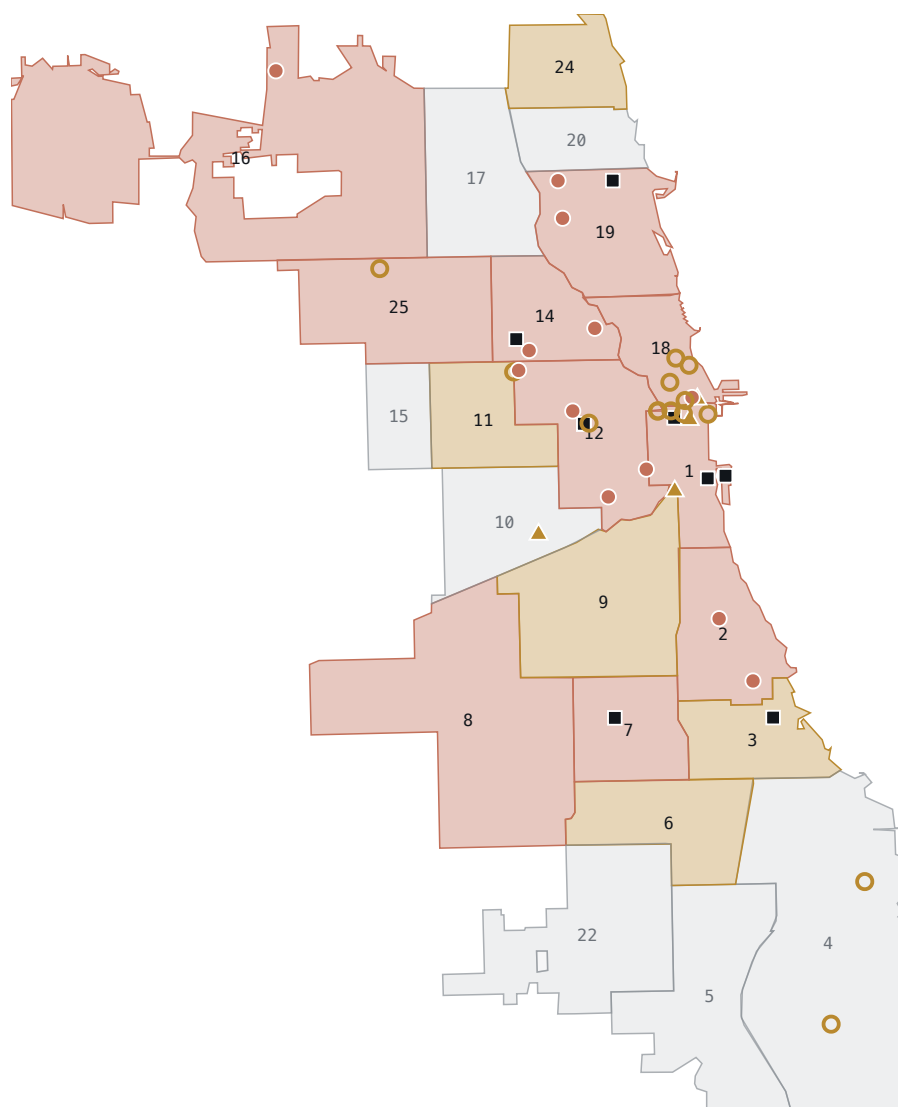

CLEAR

No parade, march, rally or assembly work type appears among the City's 120 special-event permits touching the window, and none appears in the Park District's outdoor event permits for the window.^{10, 6, 18} No full closure of DuSable Lake Shore Drive is on file.⁶ No NWS watch, warning or advisory is in effect at the Loop forecast point.¹⁵ No Illinois-specific flight restriction is listed.¹³ The Cubs have no game scheduled from 2 to 13 October, and the White Sox have no home game in the window; their first home ALDS game is Wednesday 7 at 15:00 CDT.¹⁹ Wintrust Arena lists no event in the window.¹ The full City Council does not meet in the window; the only meetings on the Clerk's calendar are three Committee on Finance items on Monday 5.²⁰ No federal or Illinois state holiday falls in the window.^{21, 22}

01 Districts and what lands in them

MAP

Shading counts the CPD pattern alerts naming each district in the 30-day alert window, published 3 September to 2 October, under the counting rule in section 05. The layers show full street closures in force during the window, taken from the City's permit file, and the venues, events and meetings located in this brief. Every located item is placed from its own address or its permit's coordinates.^{[17](#), [6](#), [23](#)}

Shading counts CPD pattern alerts published 3 September to 2 October 2026, by district named in the alert; it counts police publications, not offences. The closures layer draws the 655 permits holding a full street closure active 2 to 6 October 2026. The combined layer places every venue, festival, gathering, closure and public meeting in this edition. Verified venues sit at their own checked position, addresses at the US Census point, and permitted events, closures and filming holds on the coordinates their permit rows carry.

8 DOMAINS

Ratings score constraint on movement, not danger.

DOMAIN	RATING	WHY
Overall travel	MODERATE	No day removes an expressway, DuSable Lake Shore Drive or a rail branch without a printed substitute. The constraints are four venue windows (Saturday evening, Sunday afternoon, Monday evening and Tuesday evening), Saturday's Green and Orange Line suspension between the Loop and the South Side from 04:00 Saturday to 02:00 Sunday as printed, and 91 special-event full-closure permits spanning Saturday. ^{1, 2, 3, 5, 6} Each has a stated start; the games and concerts have no stated end.

DOMAIN	RATING	WHY
Street closures	MODERATE	120 distinct special-event permits touch the window across the City's special-event and full-closure permit files, 85 of them block parties; special-event full-closure permits span 20 Friday, 91 Saturday, 24 Sunday, 8 Monday and 9 Tuesday.^{10, 6} The through streets closed for events are Lincoln Avenue 4500 to 4775 North (Friday to Sunday), Division Street 2800 to 3200 West and Humboldt Drive (Saturday), Division Street 100 to 174 West for the Division Street Farmers Market (Saturday, 07:00 to 12:00 as printed), Blue Island Avenue 1900 to 1928 South (Saturday and Sunday) and West Madison Street 1800 to 2000 (Tuesday). Standing construction holds southbound State Street and Lake Street in the Loop to 31 December, and Milwaukee Avenue from Lake to Fulton closes from Monday 5.^{10, 6}
Stadium and arena load	MODERATE	Three venues over 10,000 inside the city have events. Soldier Field (63,500) hosts the Bears on Sunday at 12:00 CDT and the Fire on Tuesday at 19:30 CDT. The United Center (23,500 for concerts, 19,717 for hockey, SECONDARY) hosts Saturday, Monday and Tuesday. Huntington Bank Pavilion (up to 30,000) hosts Saturday at 20:00 CDT.^{8, 9, 24, 1, 2, 3, 7} Two evenings put two venues in use: Saturday (combined maximum 53,500, 3.60 mi apart) and Tuesday (combined maximum 83,217, 3.23 mi apart).
Air travel	LOW	Neither O'Hare nor Midway appears in any ground stop, delay program, delay or closure list in the FAA file at its 01:58 CDT update on Saturday 3.¹² 85 flight restrictions are listed nationally, 6 of them VIP; none lists Illinois as its state.¹³ The forecast carries no thunder and a probability of precipitation no higher than 11 percent from Saturday to Tuesday.²⁵ The Blue Line O'Hare branch runs a modified non-rush and weekend schedule to 9 October.⁵
Ground transport	MODERATE	48 CTA alerts overlap the window, 29 of them planned reroutes, and none is flagged a major alert.⁵ From 04:00 Saturday to 02:00 Sunday as printed, no Green Line trains run between the Loop and 35th-Bronzeville-IIT and no Orange Line trains between the Loop and Halsted; shuttle buses run from Harold Washington Library to 35th-Bronzeville-IIT and to Halsted, the Orange Line shuttle stopping at Roosevelt and Cermak-Chinatown.⁵ Southbound #136, #146 and #148 buses run via Foster, DuSable Lake Shore Drive and Lawrence from 09:00 Friday to 17:00 Tuesday as printed. The State/Lake 'L' station remains closed.⁵
CPD alerts	LOW	24 counted pattern alerts were published in the 30 days from 3 September to 2 October across 15 districts, 31 district mentions. 6 are robbery-classified by the type printed on the alert, and 4 name more than one district. The 1st carries 4; the 2nd, 7th, 12th and 19th carry 3 each.¹⁷ Alert volume measures how often the Department publishes a notice, and no alert schedules a constraint on movement.

DOMAIN	RATING	WHY
Weather	LOW	Sunny or mostly sunny by day from Saturday to Tuesday, highs 61 to 71, lows 48 to 53. Probability of precipitation is 0 percent by day except 7 percent Sunday and 11 percent Saturday night. ¹⁴ Sunday's west wind gusts as high as 20 mph. No NWS watch, warning or advisory is in effect at the Loop forecast point at the 03:39 CDT reading on Saturday 3. ¹⁵ The forecaster expects "dry weather with seasonable temperatures" through "much of the upcoming week". ²⁶
Planned gatherings	LOW	Five announced gatherings inside the city carry a citable source; none holds a street permit, states a route or states a size. ^{27, 18} A festival at SeatGeek Stadium in Bridgeview, with a counter-mobilisation at the same address on Sunday, lies outside the city. ²⁷ Festivals and races are rated under street closures.

05 CPD pattern alerts

30 PUBLISHED IN 30 DAYS

30 alerts were published in the 30 days from 3 September to 2 October. 24 are counted; the six sexual-offense alerts are listed and not counted, and their references are not reproduced. Nine items are new since the last edition: eight new references and one revision, P26-1-073 B, which replaces P26-1-073 and now names the 2nd, 8th and 9th Districts. Six counted alerts are robbery-classified, the largest single class. The 1st District carries 4; the 2nd, 7th, 12th and 19th carry 3 each.¹⁷ Alert volume measures how often the Department publishes a notice, not how much crime occurred.

Published times are CDT, from the Department's feed. Districts, series, pattern and reference are as printed on each alert, with one exception: 26-CWP-025 prints "24th (Shakespeare)", but Shakespeare is the 14th District, and the Department's feed title and file name both read "14th & 19th", so it is shown as 14.¹⁷

NOTE ON UNPERMITTED ASSEMBLY

Where this brief notes that a gathering is unpermitted, that is a statement about **data availability** and nothing else. Peaceful assembly and protest are protected activity. TB Defense reports gatherings solely because they affect how long it takes to move through a street, and takes no position on the subject, organisers or participants.

07 Since the last edition

Edition No. 5 covered 28 September to 4 October.⁴²

Five scheduled separations fall inside the window: 1,204 people at five sites, 263 in DuPage County and 941 in Lake County. None is in the City of Chicago.⁴⁷

Counts and causes are as the employer filed them. Nothing in a WARN filing describes conduct, and nothing here suggests any named employer or workforce presents a risk.

Is DuSable Lake Shore Drive closed this weekend?

No. The City's permit file holds no full closure of DuSable Lake Shore Drive from Friday 2 to Tuesday 6 October. CTA reroutes southbound #136, #146 and #148 buses via Foster, DuSable Lake Shore Drive and Lawrence from 09:00 Friday to 17:00 Tuesday as printed. The fall bridge-lift schedule lists a lift of the Chicago River bridges from DuSable Lake Shore Drive to 18th Street on Saturday 3 at 09:00, about 8 to 12 minutes per bridge.

What is the worst window for movement in Chicago this weekend?

Tuesday 6 October in the evening. The Blackhawks home opener starts at the United Center at 19:00 CDT and the Chicago Fire play Vancouver at Soldier Field at 19:30 CDT, a combined venue maximum of 83,217 (Soldier Field 63,500; United Center 19,717 for hockey). West Madison Street is fully closed from Wood to Damen for the home-opener event, and neither game states an end time.

Which streets are closed for events?

120 special-event permits touch Friday 2 to Tuesday 6 October across the City's special-event and full-closure permit files, 85 of them block parties; special-event full-closure permits span 20 Friday, 91 Saturday, 24 Sunday, 8 Monday and 9 Tuesday. The through streets closed for events are Lincoln Avenue 4500 to 4775 North for Apple Fest (Friday to Sunday), Division Street 2800 to 3200 West with Humboldt Drive and Luis Munoz Marin Drive for a 5K (Saturday), Division Street 100 to 174 West for the Division Street Farmers Market (Saturday, 07:00 to 12:00 as printed), Blue Island Avenue 1900 to 1928 South for Chicago Vintage Fest Pilsen (Saturday and Sunday), and West Madison Street 1800 to 2000 for the Blackhawks home opener (Tuesday).

Will weather delay flights at O'Hare or Midway?

No weather constraint is forecast. The Chicago forecast is sunny or mostly sunny by day from Saturday 3 to Tuesday 6, with clear to partly cloudy nights, no thunder in any hour and a probability of precipitation no higher than 11 percent; Sunday's west wind gusts as high as 20 mph. Neither airport carries a ground stop, ground delay program, delay or closure in the FAA status file at its 01:58 CDT update on Saturday 3.

How many CPD alerts are open?

24 CPD pattern alerts are counted for the 30 days from 3 September to 2 October, across 15 districts; 6 are robbery-classified and 4 name more than one district. Six sexual-offense alerts from the same period are listed and not counted, and nine alert items are new since the previous edition. The counts measure how often the Department publishes a notice, not how much crime occurred.

What is the forecast?

Dry and seasonable. Saturday 3 is sunny with a high near 65; Sunday 4 mostly sunny, near 71, with west wind gusting as high as 20 mph; Monday 5 sunny, near 61; Tuesday 6 sunny, near 65. Overnight lows run from 48 to 53, and no NWS watch, warning or advisory is in effect at the Loop forecast point. The forecaster expects “dry weather with seasonable temperatures” through “much of the upcoming week”.

11 Ratings and color coding

HOW TO READ THE SHADING

Each rating scores how much something **constrains movement** across the period. None of them scores danger, and none of them scores a place.

LOW

No scheduled constraint. Normal routes, nothing on the calendar that changes them.

MODERATE

A predictable window will slow movement, and it has a defined end: stadium egress, a festival footprint, a holiday return build.

HIGH

A route or a capacity is **removed** rather than reduced, and there is no equivalent substitute.

DISCLAIMER ON THE RATINGS

The ratings are **TB Defense’s own editorial judgement**, not an official designation and not a statistical model. They describe conditions as of publication and go stale. A Low rating is not an assurance of safety and a High rating is not a prediction of harm. Ratings apply to **movement across the region**, never to a neighborhood, a community or a group of people.

DISCLAIMER AND PUBLISHING SCHEDULE

The Week Ahead publishes every Monday at 06:00 and covers the following seven days, except when Monday is a federal holiday, in which case it publishes Tuesday and covers a shorter window. The Weekend Brief publishes every Friday at 06:00 and covers Friday through the following Tuesday. Both cover the Chicago metropolitan region. TB Defense, 1021 W. Adams St., Suite 200-37, Chicago, IL 60607.

Sources. Everything here comes from open, publicly available sources. Agencies revise forecasts, venues change start times, listings disagree, permit records show filings rather than street conditions, and police alerts describe preliminary information. TB Defense publishes what the record says at the time of writing and corrects the web edition when it changes.

People named in this brief. Public officials are named in their official capacity where a source has quoted or attributed a statement to them. People involved in pending matters, and victims of reported incidents, are described by role and not by name, even where a news source has published the name. Reports of investigations describe allegations only, and every person in a pending matter is presumed innocent.

Chicago Police Department material. CPD alerts summarized here come from the Department's public news feed. TB Defense is not affiliated with, endorsed by, or acting on behalf of the Chicago Police Department, and nothing in this brief is a CPD statement or official law enforcement guidance. Anyone with information about a reported incident should contact CPD directly, not TB Defense.

Scope and limits. This brief reports publicly available information reviewed near publication time. Events, closures, demonstrations, law enforcement activity, weather, infrastructure and aviation conditions change without notice. The absence of a reported threat, demonstration, incident or closure here does not confirm the absence of risk. This publication is informational. It is not security advice, not a recommendation for any organization or circumstance, and not a substitute for checking conditions immediately before movement. It creates no undertaking by TB Defense to detect, predict or warn of any event.

Not advice about people or places. Nothing here rates a neighborhood, a community or an individual, and district shading counts police publications rather than offences.
